

## Avout Racing Juniors Cycling Team

The Avout Racing brand is well known as a dominant mountain bike and cyclocross racing team in Colorado, and we continue to expand our presence in road and enduro. Our Juniors team has two groups: **Inspire Juniors** and **Select Juniors**. 2020 is the 5th year of our Inspire Juniors program, which teaches kids competition and camaraderie while having fun riding bikes, and the 2nd year of our Select Juniors program for elite athletes who want to take their cycling to the next level.

In 2019, our 50+ junior racers accumulated about 200 podiums! On top of that, our juniors programs have produced 9 national champions.
